Dear Members of the Rotary Club:

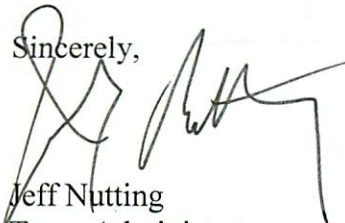

On behalf of the members of the Town Council and myself, I would like to express sincere appreciation for your continued support of the Town's citizens by your generous contributions to the charitable organizations in Franklin.

In particular, your continued financial support of the Fallen Hero Signs project has meant so much too so many families and friends of these long gone heroes.

Additionally, your continued support of the Council on Aging and the Senior Center programs such as the Safe & Secure at Home Program allows the town to reach out to our most vulnerable population.

Thank you for your continued good works.

Sincerely,

Jeff Nutting
Town Administrator
